On the agenda will be the elections of all Officers and some of our Board Members. A new constitution will be proposed and voted on. Words from the Rabbi...

I do not remember a time that I did not love Israel. It is unfathomable to me that, for the first quarter of my parents' lives, there was no Israel. Indeed, for in my parents' youth, Israel was just a hope, a dream, and an impossibility.

I have never known a world without a Jewish homeland. I have never lived in a world where a Jewish person did not have a place to go if the world became hostile. I have never lived in a world where Israel was not doing some good in the world.

One of my earliest memories is standing on an observation deck at John F. Kennedy airport with my family and watching my favorite cousin, Ezra, board a plane with his family as they headed to a place called Israel. The year was 1966. In the 60's you were actually permitted to go outside to watch people board the airplane. The world has changed. From that moment though, on the roof of the JFK terminal, I wanted to go to Israel. I wanted to be with my cousin. I loved Israel. It took me 34 years to get there.

My initial attachment to Israel was personal. My cousin was there and I wanted to be there to be with him. But the Jewish connection to the Land of Israel is as old as the Jewish people. It is in our DNA. We communally express our love for the land of Israel every day, through our prayers and ritual.

The history, faith, religion, culture and identity of the Jewish people have always been tied to the land that bears our name. Israel and Jerusalem hold the deepest, religious significance for Jews; it is the land promised to our ancestors, it is the eternal home for us for generations to come.

Within Israel, Jerusalem is our holy city, and every day, we turn toward Jerusalem when we pray. At Jewish weddings, the couple breaks a glass, to recall the great sadness we still feel about the destruction of the Temple in Jerusalem. The Psalmist wrote: "If I forget thee, O Jerusalem, let my right hand lose its cunning. Let my tongue cling to the roof of my mouth".

We are inextricably tied, emotionally, spiritually and physically to our Homeland. There has been a continuous Jewish presence in Israel from ancient times to today. Over the millennia, many conquerors have tried to destroy Israel, but despite all of these attempts, the Land of Israel remained the homeland of our people. There has never been a time when there was not a Jewish presence in our land.

Since the founding of the modern State of Israel, Israel has built a thriving country that protects the rights of its citizens, protects freedom of religion and ensures that all religions have access to their religious site. Israel protects a free press, minority rights and women's rights in a part of the world where such rights and protections are alien.

Minorities participate in all areas of civic life, serving as professionals in all fields. They are doctors, lawyers, politicians, judges, and diplomats.

When the vast majority of the Jews living in Arab countries had to flee for their lives, in the mid-20th century, Israel provided a safe haven for approximately 600,000 of the Jewish refugees. If Israel had not been there, where would they have gone? Israel continued to provide a homeland for persecuted Jews, such as Jews from the former Soviet Union and Europe, as well as Jews from Ethiopia who were saved and brought to Israel. Israel continues to provide a home to Jews who are fleeing the, often violent, anti-Semitism they encounter today around the world.

From the heart.....

Well, this is my last Bulletin message as President of your congregation. Usually, I share a story or something I have been thinking about in my message. For this one, I am stuck! But the deadline is here, so here it goes.

These last two years have been a dichotomy, having experienced a sense of accomplishment as well as feelings of disappointment, great joy and deep sadness.

Let's talk about the negative first and get it out of the way. I had hoped as President to instill a sense of "team play" amongst the leadership of our congregation. I thought that quality was one of my strengths. In truth, I have not always been successful in my efforts and that has been a great disappointment to me. The loss of friends and congregants to death and illness, those who have sold their homes here, those who have left the congregation for various other reasons - each of them have left a hole in the heart of the JCC. The Internet has brought instant communication to the world but it has not fostered our taking the time to sit back and take a breath before hitting "send" - a lesson to be learned not just at the computer but in how we speak to others and how we maintain friendships and family.

Putting that all aside for a minute, much has been accomplished. We are in good financial shape, we are blessed with a caring and energetic Rabbi, our programs have been varied and well attended, and the summer concerts have been enjoyed by both members and the community alike. We now have Saturday morning services all year round as well as planned minyans daily during the summer season. This could not have been done without the inspiration and hard work of many people.

But it is the small things that give me joy. To see a family at Neilah in front of the opened ark with the grandfather's tallit around them, to see a women's face of accomplishment on reading Torah for

My Lighthouse Key, our own Richard Morgan's sixth book of poetry, is a new collection of his words and his wife, Pat's watercolors. The poems are partly personal, always accessible, and sometimes humorous. They give insight to the challenge of being fully human.

Richard's presentation will feature his poetry, the stories behind the poems, and Pat's beautiful watercolors from the book. Comments and questions are always encouraged. Coffee and nosh included with a book sale and signing.

Words from the Rabbi...

Continued from Pg. 3

Israel is a vibrant country of tremendous innovation. Whether in the areas of technology, environment, energy or medicine, Israel works to share her contributions throughout the world. Israel is always among the first responders worldwide when natural disasters or emergencies occur, most recently after Hurricane Maria devastated Puerto Rico.

I love Israel for personal reasons, historical reasons, community reasons, spiritual reasons and more. When I visit, I am home. It is a home that seeps into the core of my being, body and soul.

This year marks the 70th anniversary of Israel's modern rebirth. We always like to do Israel programming. However, this year it seems even more appropriate. Don't miss the opportunities we will provide to get to know Israel.

Make sure to be at the JCC for the Return of Dr. Eric Mandel on Sunday, July 8th, featuring his, always brilliant, PowerPoint presentation and my Israeli style breakfast.

Come to my Friday morning classes (10:00 – Noon) entitled "Israel's Milestones and Their meanings". In nine stand-alone classes the course takes historic moments in the life of modern Israel and studies the various impacts of each event.

On July 26th, at 7:00 pm, the JCC is partnering with JNF at the home of Ruth and Howard Miller to present "Water Solutions: Israel's Gift to the World".

Make sure to join us for a presentation from the Zionist Organization of America on Saturday August 11th.

If you have not signed up for our trip to Israel from October 7th to the 18th, there is still room to join us.

Look for other programming as the summer progresses!

I don't remember a time that I did not love Israel. Let's love our homeland together. Join us for all of our Israel programming!

the first time , to hear the laughter of fellow students of the Torah at Rabbi's Saturday morning class. This is why our synagogue is here! That is what helps to put it all in perspective.

At last year's annual meeting, I stated that "my main goal for next year is to see to it that our Constitution Committee puts together an amended Constitution that will make it so much easier to manage our synagogue affairs." A very committed and experienced committee has been working to accomplish that and will be presenting such a document at the Annual Meeting on August 12. I will be sending out the draft to the membership prior to the meeting. Please look it over and be sure to attend the meeting the morning of August 12 so your voice can be heard. We will also be electing officer and trustees at that time. Remember, you can only vote if you are a fully paid up member.

We have a wonderful summer planned. I look forward to seeing many of you in the next few months.

JCC of LBI Trip to Israel Planned for October 2018

The JCC of LBI's first trip to Israel will take place October 7-18, 2018. The itinerary will take us from Tel Aviv to the Golan Heights, to a winery, to the Kineret, to a Kibbutz, to Sefad, to Jerusalem, to the Dead Sea, to Masada, to many museums, and more. At Masada, we will be sharing in a bat mitzvah of one of our fellow travelers.

We will be immersed in Israeli history and culture, and, at the same time, we will get to better know ourselves and each other. So far, an extraordinarily nice group of people has chosen to travel with us.

This trip that has been designed both for the person who has never been to Israel and for the person who has visited frequently. Come be a part of what is sure to be a trip of a lifetime.

In addition to a set itinerary, we will have some evenings when we will be free to explore on our own. We will be provided with information on concerts or cultural events in the places where we will be.

The tour is officially flying El Al; however, if you want to fly United, ITC can help you to make arrangements.

To view a full itinerary, see pages 17 & 18, and to download an on-line application, go to www.israeltour.com/jcclb. For additional information, call Rabbi Jay at 973-865-9534 or email him at mjayrab@gmail.com

SARGE—THE MAN BEHIND THE COMEDIAN

SARGE is an entertainer who has performed world wide to adoring audiences. His side-splitting comedy, touching vocals and stunning display of dexterity as a pianist have wowed crowds for decades.

But SARGE's road to success has not been smoothly paved.

Born in Miami Beach, Florida, during the Civil Rights Movement to a Jewish mother and a black father who gave him up for adoption to a Jewish couple from Great Neck, Long Island, SARGE was raised in a middle class, Jewish household, attending the best prep schools in the region. All the while, he lived with some sense of confusion because his adopted parents didn't give him much exposure to his black heritage. This led to some internal conflict as a child and young adult—feelings he tried to numb with alcohol, drugs and gambling.

He spent part of his young adult life as a homeless man, severely addicted to several vices and copping drugs at his hangout under the Manhattan Bridge in New York City. With a wealth of unrealized talent, on December 26, 1990, SARGE had an epiphany that would change his life forever. On that day, as strange as it may seem, he made a commitment to himself to pursue sobriety—cold turkey—and never looked back.

Clean and sober since then, he has dedicated himself to assisting others who face the same battle.

SARGE's artistic talents surfaced as early as age 6 when he returned from seeing "The Sound of Music" on Broadway with his parents and sat down at the family piano and began playing songs from the show entirely by ear. He had never played the piano before this! At age 7, he would entertain in between hands of his grandpa Herman's card games by doing impressions and jokes on cue.

And now, that very large talent is coming to LBI and SARGE WANTS YOU—to come and enjoy a visit with him at the JCC of LBI.

Tickets may be purchased at the JCC of LBI during business hours or on line at sargejcc@gmail.com. For more information call 609-492-4090

High Holiday Planning Underway

The letter and order forms for tickets and Roll of Remembrance. Booklets are being mailed to members. You must include payment with your ticket and Remembrance

Booklet requests, and in order to get the member's rate, your 2018 dues must be paid. Dues payments should be sent to our mailing address at 2411 Long Beach Blvd., Spray Beach, NJ 08008.

The payment and request for tickets and Remembrance Booklet inclusion should be sent to the attention of Carole Britchkow-Nunberg before August 4th, as that is when she will honor seat requests from non-members. After about 12 years the prices for all seats have been increased by \$25. Therefore, the price for a reserved seat in our Sanctuary is \$150 for members. Seat tickets in the Social Hall are \$100 for members and \$175 for non-members, while the cost for each name listed in Roll of Remembrance remains at \$9.

Most congregations will provide complimentary tickets to members of other congregations that are entitled to seats at their home congregation. In most congregations, with a dues cost several times ours, the cost of tickets is included. If you wish a letter for ticket requests at another congregation, your dues for 2018 must be paid in full, and you must have purchased High Holiday tickets from JCC of LBI. This puts us on the same level as the others. If we receive a letter from a member somewhere else, we will extend to them our member privilege and allow them to purchase at our member price.

It was wonderful to see so many at our opening meeting. Reuniting is always a good time and we are looking forward to the Welcome Back Brunch on June 24th @ 10am. It will be another great annual reunion. Friends, food & music, what could be better!

The book club had their first meeting on June 11th with 6 attending and great conversation led by Paula Hait. Next book club, Monday, July 9th, "Forest Dark", by Nicole Krauss.

We have a great season planned with our annual Mah Jong Tournament on July 5th, 9-4 PM, Designer Bag Bingo- August 16th, two Bazaars and a special new event still in the works, TBA.

Please save Friday, August 10th for our Sisterhood Shabbat Dinner & Service. A very special evening, not to be missed!

As always, everything takes a village, but that's what makes it more fun. So please, volunteer, get involved and let's have a great summer!

We would like to thank Rabbi Jay's brother, Jerry and his family, for their beautiful note and contribution to the Sisterhood in honor of a wonderful Pesach. Also thank you to Joan Ely for your contribution in honor of Carole's son, Michael Britchkow's marriage to Rachel Suna. Last but not least, thank you to the Braun family for your beautiful note and contribution in honor of Jody Brusilow.

Event and sign up sheets can be found at the JCC, so please stop in and take a look.
See you soon, *Carole, Jody & Lexa*

Sisterhood Book Club

The next meeting for the JCC of LBI Sisterhood Book Group will be on Monday, July 9th. The book that has been chosen is Forest Dark by Nicole Krauss.

TD BANK Affinity Program

TD Bank has a program offering an easy way for non-profit organizations to raise additional money. The bank will make an annual contribution to us based on the number of members with accounts there. Here is an opportunity to raise additional dollars each year with no out-of-pocket cost from any of us.

All we have to do is have our members let the bank know that they are JCC participants. The Bank will do the rest. Your privacy continues as is. The Bank will not divulge any individual member's information to the JCC of LBI or

anyone else.

Please call your TD Bank office and let them know that you are a JCC participant. Please register all of your personal accounts as well as your business checking accounts -- and please do it now, so that the Affinity Program for the JCC of LBI can commence.

ENDOWMENT FUND

Judith & Don Pripstein have established the Pripstein Family Endowment Fund to join with one already established by Herb and Selma Shapiro. These specific funds as well as other monies contributed to our Endowment Fund Portfolio help assure the continuity of our JCC and our ability to continue providing a full-service congregation to serve the Jewish people of the area. Except for dire emergencies, the principal amounts in the fund cannot be used to run the organization. Interest earned from the account may be used. All members are encouraged to help this important effort by contributing to this Fund, whether as a specifically named fund or as a general donation.

At its October meeting, the JCC of LBI Board of Trustees passed a motion which states that a minimum pledge of at least \$50,000 will allow specific Endowment Funds to be named as the donor wishes.

The stock market has more than tripled in the past few years. This is a good time to lock in those gains and avoid the taxes on them. Benefits of donating appreciated stocks and mutual funds include: avoiding Capital Gains Tax, receiving an income tax deduction for the full market value of the stocks, and capturing the appreciated value of your stocks without the worry of future market ups and downs. Money directly sent from your IRA or 401K funds can help satisfy your RMD, and will not be counted as additional income to you. Two methods of making this contribution and receiving maximum benefit from it are: 1) as long as the gift comes directly from the fund or your fund advisor, charitable contributions from your iRA or 401K accounts are not reportable as taxable income, and 2) the gift qualifies for all or part of your Required Minimum Distribution. Your gift to the fund can be sent to the JCC of LBI Office. Please inform our office that a contribution will be coming from your investment advisor, or check with the office to learn how appreciated stocks can be directly gifted to JCC.

PLEASE JOIN THE SHAPIROS AND PRIPSTEINS IN CONTRIBUTING TO THIS VALUABLE AND NECESSARY ASSET FOR OUR CONGREGATION

SCHOLAR NEAR THE BEACH

We continue to provide a forum for Rabbinical students with our "Scholar Near the Beach

Shabbat," thanks to the generosity of Bob & Judy Cook. We welcome Rabbinical student Jessica Dell'era as this year's scholar on Friday evening and Saturday morning services, August 3 and 4. Jessica will give the sermon at Friday services and will lead at a Lunch and Learn during the Kiddush after Saturday's services.

ZENA JAY KIDDISH FUND

We are pleased to establish the Zena Jay Kiddish Fund in memory of Rabbi Jay's mother. Our Saturday morning kiddishes are not just a bite of gefilte fish and herring. Our worship community enjoys this special time when they can sit down to enjoy a Shabbat lunch and share a table with others. It is a wonderful community builder as well as an opportunity for sponsors to commemorate a special occasion, a yarhzeit or just to say thank you. Donations can be sent to the office. In addition, contact the office if you want to sponsor a kiddish.

ZUMBA CLASSES

All classes will be held at the JCC of LBI at 9:00 AM. Week of July 2, classes on Monday and Friday, after that Monday and Thursday until August 23. Contact Stephanie Case at 609-502-5458 to register and info.

JCC of LBI Tribute Cards

A beautiful tribute card has been created using this beautiful watercolor artwork by JCC of LBI member Pat Morgan.

A tribute card is sent by the JCC of LBI to an honoree when a contribution is made to the JCC in the person's honor. Please see the current list on Pages 11 and 12.

The original art, a Hanukkah menorah, was a gift from the artist and is framed and now hangs on the wall outside the Library. We thank Pat for her generous contribution!
