

NAME TAGS FOR MEMBERS

You may have noticed that JCC board members have begun wearing high quality magnetic name tags at JCC events. With the addition of so many new members over the past two years, many of us do not know each other. Name tags should help. We would like to offer you the opportunity to purchase, at a subsidized rate, a magnetic name tag for you and your family members. These name tags cost approximately \$5.00/tag. There will be a \$5 charge for each name tag ordered and the JCC will cover the additional cost. To ensure that we order the name you would prefer to use on your name tag, please fill in the form. We hope you will wear these tags to JCC services and activities so we can all get to know each other better.
