Words from the Rabbi...

How are we to process our shelter-in-place, our isolation, and our economic shutdown? It is not easy. Does our Torah have an answer? Does our tradition provide guidance?

It is an oft-cited notion that Judaism favors action over mere thought, or faith. We don't merely talk about love of God and humanity; we do things to physically express our love of God and the world around us. We are taught from an early age to do good deeds and we are, almost genetically, compelled to try to make the world a better place. This manifests itself in many ways.

As a "people", we tend to place an emphasis on education. As proof of this, simply Google "Nobel Peace Prize" and find the plethora of articles about how Jews are disproportionately represented on the list of Nobel Honorees. One genesis of this need to learn, and the consequent educational success of our people, can be traced to our tradition of studying Torah.

Uniquely, we Jews don't passively read the Torah; we don't simply accept what is contained within our holy scripture. Rather, we actively study it, discuss it, and dissect it. The Rabbinic tradition, from which we are all descended and to which we are all connected, teaches us to never be happy with understanding a word or a sentence merely as it is written. Because of this, when we read the Torah, we strive to seek alternative meanings and broader ideas. The Text is more than the words that are strung together; it is more than the narrative and the laws. The Text is to be explicated and used to inform our lives.

If you join me in one of my many Zoom classes, you will find that we study Torah, or Talmud, or the prayers, we rarely read a sentence and move on. We discuss it and try to understand. What follows is often a "Zoom free-for-all". That is part of what makes the learning fun. But, in truth, this is one way that our scripture becomes truly "Holy".

But why have we placed such a focus on the study of the Torah? In Pirke Avot, at 5:22, we are told that Yochanan Ben Bag Bag (yes, that is his name) said of the Torah: "Turn it, and turn it, for everything is in it...". So important is the Torah to us that Pirke Avot, at 3:18 says that it is a "Tree of Life to those who take hold of it, and those who support it are fortunate". The tree metaphor is perfect. By giving us food, wood, shade, oxygen, and more, a tree provides for all facets of our lives. Our tradition tells us that the Torah does all of this and more.

In a few short weeks we will be celebrating the holiday of Shavuot, which, among other things, commemorates our receipt of the Torah at Mount Sinai. Our tradition tells us that as Moses was on the mountain our ancestors stood at its base. But, interestingly, we are also taught that all Jewish souls were present. In this way, we were all there to witness God's revelation and to receive the Torah.

Road Trip

Hello everyone!

We all expected bumps and detours as we continued on our road trip, but I don't think anyone of us would have expected our journey to come to a complete stop! Our transportation is fine and is functioning as it should. We just can't drive it. This event was unforeseen, it is something that we had not planned for, or possibly ever imagined. Sure, we planned to stop for a brief time at a scenic overpass that we came to. The idea was to enjoy the view of our accomplishments, catch our collective breaths, or stretch our legs. But to stand still in the same place for almost two months who would have known. On top of that, not being able to have any idea when we can reopen is disheartening as well as disturbing. Rest assured all; WE WILL START UP AGAIN!!!! No matter how long it takes. When we do, we will most likely have fewer passengers and guests than when we started. We all know someone who has been affected by this global pandemic, and our heart felt sympathies go out to those that have lost a love one to this modern-day plague. Like the rest of you, Irene and I have been sheltering in place since early March. The only travel has been to the supermarket, and drugstore. We have found ways to keep our spirits up, and amuse ourselves.

We are living Bill Murry's Groundhog's Day, with one major difference; we can not change the results of the day by simply doing the day over! Like reality, once we have done something, we can not change the outcome, we have to live with that action. With that in mind, we all need to make sure that what we do will keep those that we love safe from Corona 19.

Words from the Rabbi...

Which leads me to how we process. We process by doing. We process by living. We process by discussing. We process as individuals. And we process as a community. Our ancestors wandered in a wilderness on their way to receipt of the Torah. Our ancestors had not been out of Egypt for 400 years, and it must have been discomfiting to be out in the open surrounded by nothing. There must have been such uncertainty.

The uncertainty is what makes our current situation so anxiety provoking. At the end of the Israelites wilderness isolation, they received the Torah. Perhaps we will receive something that will have made our time in isolation worth the wait. While only time will tell what awaits us, for now, I am amazed at how the Zoom platform, and others like it, have helped us to connect. Seders, services, and educational programming have all continued, or even increased. A modern, miracle?

The receipt of Torah represented a new beginning in the history of the Jewish people. Is our new connectedness another new beginning? To be continued..... *Rabbi Michael S. Jay*

FOB Update

This is an update on the status of our security system. The system that we installed back at the end of 2019, is operational. We had plans on turning the system this summer season, but the plans are not finalized. The fobs are being entered into the system and we should be distributed them later on this summer. Each adult member of the JCC will receive a fob that has been assigned to them. If lost, please report the loss to the Office, the fob will be disabled. The cost of a replacement fob is \$50.00. At this time, we have no intentions of selling any additional fobs to a member. Once all of the fobs have been distributed, the system will be activated. Until then, use the intercom to gain access into the JCC. We will be sending updates once the system goes live. This is just one of the steps that we have taken to protect our members, and employees. Should you have any questions, please feel free to reach out for me.

Women's Auxiliary of the JCC of LBI

We are thinking about all of the members of the JCC and hope that all of you are safe and healthy. It has been an unusual spring - lots of rain, chilly weather and most of all COVID-19 illness. We pray for those with COVID virus and wish them a speedy recovery.

The Executive team of the Women's Aux has been meeting regularly to discuss our future (via Zoom, of course). We have postponed the spring Auxiliary plans while the JCC is closed to promote safety. At this time there are no definitive Aux plans but many tentative options in the works. We will be sending out more information as our plans become finalized.

Shalom. Take care and hoping to see you in a safe, sunny and warm LBI,
The Executive team of the Women's Auxiliary

CHAVERAH GROUP REVISITED

In 2019, the JCC of LBI created a Chaverah Group with a goal to share both Jewish and secular experiences including learning, prayer and both cultural and social experiences. It is hoped that this will provide opportunities to make new friends and share fun times together. The group's first meeting was attended by 35 people including couples and singles and both full-time and summer residents. Anxious to get started, the first event hosted by the group was a Pancake breakfast in July with our Rabbi Jay, Cliff Denker and Mike Babst as our chefs. As this was the introductory event, those in

Congratulations to Harrison Asher Housman,

grandson of Sherry and Howard Fruchteman. He became a bar mitzvah on March 7th, with a beautiful ceremony led by Rabbi Jay at Union Park in New York City.

Harrison lives on the Upper West Side and is in the 7th grade at Trevor Day School. There, he is a member of the Trevor Dragon Soccer and Baseball teams as well as a participant in model U.N. Harrison also plays travel baseball for the U13 Bulldogs. In addition to baseball and soccer,

Harrison looks forward to his

summers on LBI, where you can find him surfing, playing tennis and relaxing in his family's pool! A huge lover of sports, Harrison won his fantasy football league this past year and looks forward to the next NFL season!! Harrison has an infectious personality, loves to laugh and loves to socialize with his many friends!

Harrison did a beautiful job reading the Ki-Tissa Torah Portion and subsequently leading his D'var Torah. For his bar mitzvah project, Harrison dedicated his time and efforts supporting the Surf Rider Foundation, a foundation dedicated to protecting the oceans, waves and beaches. Harrison became a member of the Surfrider NY Chapter. He worked with a designer to create a t-shirt, which was produced and then sold, with all the proceeds going to the Foundation. In addition, Harrison organized an all 7th grade beach clean-up as well as a middle school presentation on ocean conservation. (both have been delayed due to Covid) Harrison very much enjoyed studying and working with Rabbi Jay throughout his bar mitzvah journey. He then had an amazing time celebrating with all his friends and family.

Road Trip.....

Though we are concerned, we are not going to let it be all consuming. We are still talking to everyone, through the phone, and various social media avenues, like Skype, Zoom, and Facetime. Though our physical trip has been stalled, the JCC is still making headway. We have been using Zoom to conduct daily Maariv services, Kabbalat services on Friday night, Shabbat services Saturday morning and Havdalah services on Saturday night. The Rabbi is also conducting Torah study and lesson on the Psalms. So, you still have ways to keep enjoying the religious activities at the JCC. The board and I have been reaching out to the membership with wellness checks, just to see how you are doing. We are planning to reach out for you again in the very near future, not only to see how you are doing, but what the JCC can do for you. When we reopen, many of the lesson that we have learned will still have to remain in place, for a while. Social distancing and no physical contact will most likely still be in effect. None of us should take offense if someone you would normally hug or kiss, now just nod and smile at you. There may be events and activities that may have been scheduled that we will have to change to protect our membership. If and when any changes come, we will keep you informed.

These are unprecedented times, that we are facing. Times that the world has not seen since the Flu pandemic that took place in 1918-1919, but like then, this to shall pass into history. The one thing we must keep in mind is that ***we will*** start our road trip again. No matter how long it takes, and when we do, the board and I have you, our passengers, to thank for it. It is through your faith and support that we make that day come to fruition.

Please stay safe and I look forward to seeing you soon. **Mike**

CHAVERAH GROUP REVISIT-

attendance shared stories and connections to LBI and the JCC. In August, a second event was held: swing dance lessons! Liz Trott and her two lovely assistants from the Starlight Dance Studio taught us two dances to Rockin' Robin and another song. It was a fun evening of dancing, chatting, eating, and, most importantly, enjoying each other's company. One of the highlights of the group was the visit to the National Museum of American Jewish History to attend the Notorious RBG: The Life and Times of Ruth Bader Ginsburg exhibit. A Sunday night at the Movies showing A Gentleman's Agreement was also hosted by the Chaverah Group. Several ideas for events are being considered for the future. Contact, Jill Denker, at jill.denker@hotmail.com with any ideas for Chaverah activities.

Dear Congregants,

As Chair of the JCC of LBI Ritual Committee, along with my Committee members, I would like to wish everyone a healthy and safe summer!

In 2015 the Ritual Committee proposed initiating Saturday Shabbat services year-round. The approval by the Board was to initially provide one Saturday service monthly. If successful, the Board would agree to year-round Shabbat Services. As we all know, the rest is history!

Never could I have imagined Ritual Services via videoconferencing! Rabbi Jay, along with Zach Lombardi who chanted the Megilla, conducted our first Zoom service on Purim. This was followed by Kabbalat Services and both Passover Seders. Prior to Passover, Rabbi Jay started conducting daily Ma'ariv Services, followed by Saturday Shabbat Services via Zoom Conferencing! Oddly enough, two years ago the Ritual Committee proposed an expansion to conduct daily services during the summer. Unfortunately, at that time we had very limited success.

We have now become accustomed to the safety and comfort of attending services at home via the internet!!! Due to the health and safety concerns from Covid-19 and the acceptance of Zoom Conferencing for services, Rob Van Naarden has contracted for set up of autonomous HD streaming from the JCC Sanctuary. This will provide a wide angle view through an existing JCC camera, with sound. Rob is working through some connectivity issues with our new Internet Service Provider (ISP) and will resolve these issues soon! Even before we are permitted to return to the JCC, this will be operational and a viable option for our congregants to view services from their computer or phone.

I would like to assure you that Rabbi Jay, the JCC of LBI Board, and Ritual Committee are making every effort to provide safe and healthy options for our Summer and High Holiday Services when we're able to return to the JCC and beaches on LBI. Our intent has always been to have our Congregants be comfortable and safe when attending services!

Our first Shabbat on the beach last June, for the first time, had a contracted Police Officer of the Long Beach Police Department present. Since that Shabbat Service, the JCC of LBI felt it necessary to provide our Congregants an increased level of safety and security year round when attending Services. This, as we know now, has become standard in most synagogues!

Today we are faced with a totally different type of safety; a reality no one could have ever imagined last June! Maintaining social distancing, wearing protective masks and gloves, are now the order of the day! Our State and Federal leadership are trying to figure out how to safely navigate the populace through daily living routines to keep everyone healthy, safe, and free of the Covid-19 virus. We, as individuals, are all thinking of and contemplating how to move forward with recommendations our government will provide.

Once again the JCC wants our congregants to not only feel safe, but be safe! It has already begun by providing you the option to view Zoom Services now and streaming of Shabbat services when allowed back into the JCC. On April 21st the Ritual Committee presented ideas to the Board and the Board approved a Committee be established to explore and make recommendations. The Committee is titled Summer and High Holiday Contingency Committee or SHHCC. We have begun not only exploring some of these options, but have already begun implementing two of the ideas. The first is the purchase of five Purell Stations. The second is increasing frequency of HVAC system filter changes and investigating HEPA filters. Whatever ideas are being investigated, ultimately the Government and CDC guidelines and recommendations will be followed.

Once again, the Ritual Committee would like to wish our congregants, their families, and friends a healthy and safe summer.

Sincerely

Stuart Pepose
Ritual Committee Chair

Donation/Support Opportunities

Kol HaKavod

Please consider being a part of this campaign to supplement the clergy needs of our congregation.

This is a separate, voluntary commitment and is additional to your low annual dues obligation.

Chai Level:

\$1,800 over three years (\$600 a year)

Double Chai Level:

\$3,600 over three years (\$1,200 a year)

Triple Chai Level:

\$5,400 over three years (\$1,800 a year)

We will, of course, be grateful for a gift to the fund at any time. Please go to the web site to download the Kol HaKavod form:

[JCC Kol Hakavod Link](#)

or call the office for the form to be sent to you.
All donations will be anonymous.

ZENA & JERRY JAY

KIDDUSH FUND

The Zena and Jerry Jay Kiddush Fund was established in memory of Rabbi Jay's parents. Our Saturday morning kiddushes are not just a bite of gefilte fish and herring. Our worship community enjoys this special time when they can sit down to enjoy a Shabbat lunch and share a table with others. It is a wonderful community builder as well as an opportunity for sponsors to commemorate a special occasion, a yahrzeit or just to say thank you. Donations can be sent to the office. In addition, contact the office if you want to sponsor a kiddush.

JCC of LBI Tribute Cards

A beautiful tribute card has been created using this beautiful watercolor artwork by JCC of LBI former member, Pat Morgan.

A tribute card is sent by the JCC of LBI to an honoree when a contribution is made to the JCC in the person's honor. Please see the current list on page 13, 14 and 16.

The original art, a Hanukkah menorah, was a gift from the artist and is framed and now hangs on the wall outside the Library. We thank Pat for her generous contribution!

PAVERS

Each time you enter the front doors of the JCC of LBI you will pass the engraved brick pavers donated by members and friends of the JCC of LBI. Order forms are available on the JCC website:

[JCC Pavers Link](#)

4" x 8" bricks @ \$150.00

8" x 8" bricks @ \$300.00

12" x 12"bricks @ \$500.00

Please contact Diane Hoffman to place your paver order for this Summer or with any questions:
732-742-2881 or dihoff1@aol.com

Donation/Support Opportunities

High Holiday Prayer Books

There are still High Holiday Prayer Books and Chumashim available to be purchased in memory or honor of someone or something. The cost of a Prayer Book is \$72 each and \$120 for an Eitz Hayim Chumash.

The donation includes an affirmation sticker in the book and an acknowledgement letter or letters.

Endowment Fund

Join Herb and Selma z'l Shapiro to help assure the continuity of our JCC, and our ability to continue providing a full-service congregation to serve the Jewish people of the area.

A donation of at least \$50,000 to the endowment fund will allow the donor to name one of the funds as the donor wishes. All such name funds will be joined together to be part of the endowment fund portfolio.

Judith z'l & Donald Pripstein have joined the Shapiros with a \$50,000 donation and have established The Pripstein Family Endowment Fund.

All members are encouraged to help this important effort by contributing to this fund whether as a specific named fund, or as a general donation.

Your gift to the fund can be sent to the JCC Office. Please mark your check accordingly.

Yahrzeit Plaques and Tree of Life Leaves

These may be donated in honor of events, family, or friends, or in memory of loved ones. Yahrzeit Plaques may be added to our Yahrzeit Board in the JCC of LBI Sanctuary. The prices, including engraving, are as follows:

YAHRZEIT PLAQUES:

1st plaque	\$250
Additional plaques purchased at the same time	\$225
Reserved	\$75

TREE of LIFE:

Bronze Leaf	\$90
Silver Leaf	\$125
Gold Leaf	\$180

TD BANK Affinity Program

TD Bank has a program offering an easy way for non-profit organizations to raise additional money. The bank will make an annual contribution to us based on the number of members with accounts there. Here is an opportunity to raise additional dollars each year with no out-of-pocket cost from any of us.

All we have to do is have our members let the bank know that they are JCC participants. The Bank will do the rest. Your privacy continues as is. The Bank will not divulge any individual member's information to the JCC of LBI or anyone else.

Please call your TD Bank office and let them know that you are a JCC participant. Please register all of your personal accounts as well as your business checking accounts -- and please do it now, so that the Affinity Program for the JCC of LBI can commence.

Legacy Planning

If you are planning to initiate or change your will or estate plan, please remember and include the Jewish Community Center of Long Beach Island (JCC of LBI) as part of your legacy. The monies can be used for a specific purpose as designated by you or added to an endowment fund already set up to assure the ability to continue providing a full-service congregation to serve the Jewish people of the area.

This legacy can be accomplished by a simple bequest in your will, by one of the allowable charitable trusts wherein you get an immediate tax advantage, or through life insurance.

PLEASE DO IT NOW!

Please check with your attorney or insurance agent. If you have any questions or need additional information, please contact Don Pripstein.

Thank you
