

# Wheels For Warriors™

## Become a Sponsor to Help Us Keep AV Veterans Mobile

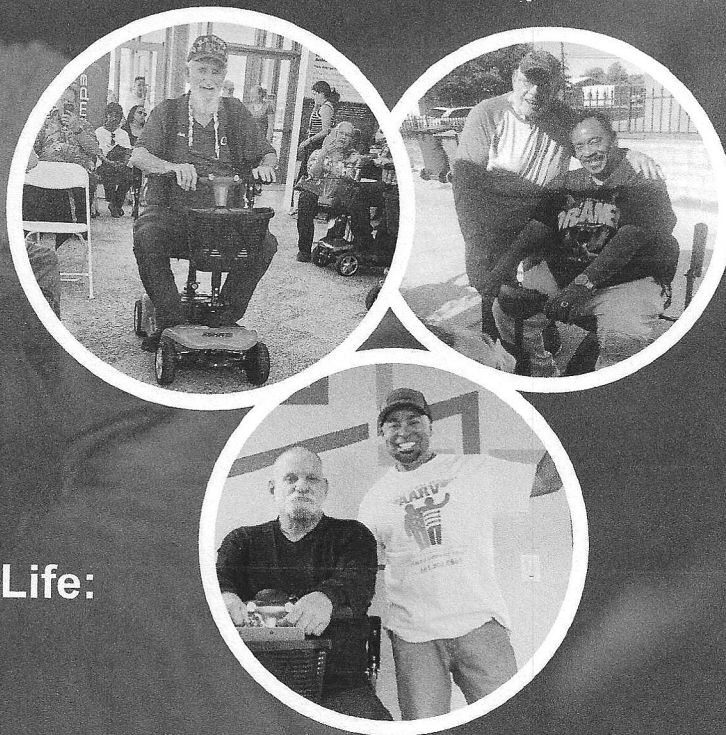

### Here's What We Do:

- ▶ We accept donated NEW and USED wheelchairs and scooters. For the used items, we recondition them and replace the battery so they're in like-new condition and ready for dispersment.
- ▶ Next we match up the wheelchair or scooter with our list of needy AV veterans, handicap and elderly who are mobility challenged and give it to them **FREE** of charge.
- ▶ Unfortunately, our list is much larger than our supply of scooters and wheelchairs which is why we are requesting your help.

### Our Recent Successes:

Phil Roberts, a veteran who has been helping fellow vets for over 29 years, rode his new scooter to a medical appointment recently. He exclaimed, "John, it took only 15 minutes using no gas and no problem parking. I love my Scooter! AARV is awesome!"

Wheels for Warriors is truly changing lives! We'd love you to join us!

### Here's How You Can Help Change a Life:

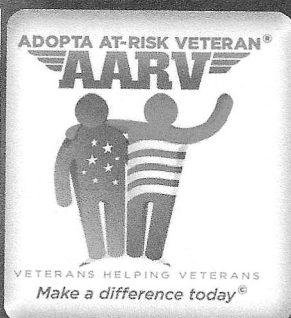

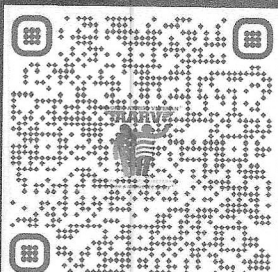

- ▶ \$150 donation to purchase one new battery
- ▶ \$400 donation to purchase one new electric scooter
- ▶ Donate a used scooter or wheelchair
- ▶ Donate your time to help administer the program or to repair the scooters and wheelchairs.
- ▶ Spread the word about our program so it grows until all needy AV veterans and elderly are mobile.
- ▶ Please consider a monthly donation as it really helps with our budgeting and letting those on our list know when we will be able to supply them with mobility.

**We Are AARVorg, a 501c3 charity dedicated to helping AV veterans.**
