

FREE COMMUNITY HEALTH WORKER TRAINING PROGRAM

**Summer Registration
for Sept 2018**

About the program

The primary role of a Community Health Worker is to help members of the community manage health problems and live healthier lives. Our upcoming **FREE** Community Health Worker Training program includes:

- a 135-hour internship
- healthcare career counseling
- healthcare job search
- placement support

Training includes: OSHA 10-hour Outreach in General Industry, Disaster Resiliency, and Community Nutrition Education

Optional Certificate in Mental Health First Aid

Requirements

To apply to the Community Health Worker Training, students must:

- ✓ Be 21 + years old and live in NYC
- ✓ Be bilingual – must be fluent with advanced reading and writing skills in English and a language other than English
- ✓ Be authorized to work legally in the U.S.
- ✓ Have a HS Diploma or equivalent from the U.S. or abroad
- ✓ Have good computer skills
- ✓ Be available to attend all classes and complete the 135-hour internship
