Tanenbaum is a secular, non-sectarian nonprofit that promotes mutual respect with practical programs that bridge religious difference and combat prejudice in schools, workplaces, health care settings and areas of armed conflict.

Tanenbaum designs trainings and educational resources to change the way people treat one another and to celebrate the richness of our country's diversity. In all their work, Tanenbaum is inspired not only by The Golden Rule – to treat others as you would like to be treated – but also by the Platinum Rule – to treat others as they want to be treated.
