

**9/11  
MEMORIAL**

**Volunteer with the Staten Island Service Member, Veterans, and Families Task Force  
Beautification Project at the National 9/11 Memorial and Museum**

**When:** Tuesday, June 25th from 10:00am – 12:00pm

**Where:** Please meet us at the Survivor Tree on the 9/11 Memorial, located on the west side of the south reflecting pool. I've attached a map to help locate it. The address of the Memorial is 180 Greenwich Street, New York, NY 10007.

**What:** Our group will assist with the maintenance of the Memorial plaza, including clean-up activities such as picking up acorns, weeding, etc. Tasks may involve bending. We will not know the exact tasks our group will be assigned until closer to the day of because it depends on the needs of the day.

**What to bring:** Please wear closed-toed, comfortable shoes and dress according to weather. They also recommend wearing clothing that you don't mind getting dirty. Unfortunately, they do not currently have a storage area for personal belongings, please limit bringing large bags, as anything that you bring will need to be kept with you throughout the day.

**Contact:** If there are any troubles finding us on arrival, contact Tami at 718-494-3222 or Matt at (860)491-6832.

**Group Photo:** We will also take a group photo, if everyone is comfortable!

**To register as part of our team:** Go to: <https://forms.office.com/r/0DBMy5NKrf> or scan the QR code below.

**For anyone interested in visiting the museum after the project:** Please visit the [ticketing page](#) of their website. As noted under "Special Considerations," they offer free admission for Active/Retired U.S. Military with valid ID, but this offer is only for the servicemember. They also offer free admission on Monday evenings from 5:30pm to 7:00pm. These tickets are made available on the website each Monday beginning at 7 a.m. ET and are first come, first serve.
