

## **Help our Student Council and 4th Graders Collect Donations!**

On April 2nd, our 4th graders will be heading to the Humane Society of Tampa Bay for a special field trip! We are excited for this meaningful opportunity to learn more about caring for animals in our community.

In support of this visit, Student Council is inviting everyone to participate in a donation drive from March 24th through March 31st.

All collected items will be delivered by our 4th-grade class to the Humane Society to help support their important mission of giving animals a safe, healthy, and loving place to stay while they wait to find their forever homes.

Thank you for helping us make a difference—together we can show kindness, compassion, and community spirit! 🐾

**March 24th - March 30th**
