If you have not had the opportunity to make your 5-year pledge, this would be a good time to talk to your children, parents, grandparents and neighbors about the need for the school's expansion. Many of us have been the beneficiaries of catholic education and this is the best way and time for us to "pay it forward" and preserve our catholic faith for years to come. Please join in making a commitment of money and/or prayer to building for the future of Catholic education in Clinton County. Check the Thermometer and help us reach the top!
