Join in the singing

Your parish is invited to sing HEAL OUR LAND

As the church in 2018 AD

For sheet music and/or an audio clip of this powerful composition contact Oscarworldwide@aol.com or call 314-749-1602

One of the basic functions of the whole church is to call together.

One of the beauties of the church is that our gathering is not limited to space nor time, we are they who are gathered in spirit and in truth.

One of the easiest ways to see the unity of the church is through song.

Please come together and sing Let the Lord, and people of goodwill HEAR OUR PRAYER.

To be listed as a participant in this national prayer please send the name and location of your parish or church to BCI@archchicago.org
