

The following updates have been made to BidAdvantage for Schools. If you have any questions, please contact elessig@Interflex.net.

From the Cooperative Admin's perspective:

You can now remove any contact by clicking the red X.

You can re-invite someone by changing the "Send Invitation" drop-down menu to "Yes" and then republishing.

You can see who has completed entering their quantities vs. who has not by looking at the "Percent Complete".

Step 4: Invite Members

Invited Member	Send Invitation
 Emily Gissel ([REDACTED]@gmail.com) School District ABC Previously Invited: 08/15/2016 Percent Complete: 100%	No ▾
 John Smithtwo (johnsmithtwo@email.com) School District ABC Previously Invited: Not Previously Invited	Yes ▾
 Kristen Snyder ([REDACTED]@comcast.net) School District ABC Previously Invited: 08/15/2016 Percent Complete: 0%	No ▾

From a participant/member's perspective:

The Due Date to enter all quantities will be displayed at the top.

The approved products and product codes will be at the bottom of each specification.

export mark all complete save

You can export a list of all specifications and the quantities that you have entered by clicking the "Export" button.

Both cooperative administrators and participants/members will now be able to Export the list of specifications as seen below.

The Administrators' Export will include ALL participants/members quantities.

The participants/members' Export will include only their own quantities.

The Export will now include the Library ID number assigned by the cooperative, the specification, any approved products and product codes, and the appropriate quantities.

This Export will open in Excel for you to save or print.

	A	B	C	D
