THURSDAY FUNDAY Open House

-
- A group of children are gathered around a white table, working on a craft project. One child is using a wooden stick to apply paint to a blue plastic bag. Another child is holding a paintbrush over a palette. The table is covered with various art supplies, including paint palettes, markers, scissors, and pieces of colored paper. The children are wearing casual clothing, and the atmosphere appears to be a creative and collaborative learning environment.

RSVP by May 16 to Paula Rindner, Principal tbtschool@optimum.net
Please let us know your child's name(s) and age(s)

And please feel free to stay with us afterwards for a Hope for Ukraine Rock Painting project with the rest of the Religious School!
