

RE: SDG&E's Pole Transmission Work on San Elijo Ave.

At SDG&E, our priorities include providing you with clean, safe, and reliable energy. We have a project in your neighborhood where we will be working on the transmission poles.

**Schedule**

Expected Construction Timeframe: Tuesday – Thursday, December 12- 14<sup>th</sup> 2023.

Work hours: 9AM to 3PM

\*Construction dates are subject to change according to compliance requirements, inclement weather, or other unforeseen circumstances.

**About the project**

Our crews will be installing guy wires on existing structures on San Elijo Ave.

During the project, you may experience some traffic congestion because of the work required. We'll work as safely and quickly as possible and make every effort to minimize disruptions. There will be traffic control on San Elijo Ave. as one lane will be closed for construction vehicles. Motorists are encouraged to consider alternative routes during this time.

We apologize in advance for any inconvenience our work may cause you. If you have any questions or concerns, please call us at 619-949-6572 or you may also email me at [jgabaldon@sdge.com](mailto:jgabaldon@sdge.com).

Treating your streets and neighborhood with care by driving and working safely is a top priority. We apologize in advance for any inconvenience our construction work may cause you.

Thank you for your cooperation and understanding.

Sincerely,
