### **Subject: Partnering with the Encinitas Chamber of Commerce to Support Career Technical Pathways**

Dear Encinitas Chamber of Commerce Members,

We hope this letter finds you well.

As a member of the Encinitas Chamber of Commerce, you are a vital part of our community. Your businesses and organizations contribute significantly to the economic vitality and quality of life in Encinitas and surrounding communities.

We are writing to invite you to partner with San Dieguito Academy and other schools in the San Dieguito Union High School District (SDUHSD) in supporting our Career Technical Educational Pathway (CTE) programs. These programs provide students with hands-on learning experiences that align with industry needs and prepare them for successful careers.

By partnering with the Encinitas Chamber of Commerce, we can create a stronger connection between our schools and local businesses. This partnership could involve:

- **Advisory Meetings:** Sharing your expertise as an industry professional to guide our CTE programs.
- **Guest Speaking:** Inspiring students with your experiences and insights.
- **Field Trips:** Providing students with opportunities to explore potential career paths.
- **Mentoring:** Offering guidance and support to students.

We believe that these partnerships will not only benefit our students but also contribute to the overall success of our community. To express your interest in partnering with our CTE programs, please fill out the [attached form](#). Please indicate which high school(s) you would like to support, including San Dieguito Academy.

Thank you for your time and consideration. We look forward to working together to create a brighter future for our students.

Sincerely,

*Cara C. Dolnik*
