Fuller Description of Services:

Kuma is a national initiative founded by **Sulamot** in February 2025 under the leadership of **Rav Yosef Zvi Rimon** to support the 350+ IDF widows of the Iron Swords War. The program provides **immediate and long-term financial aid, financial guidance, navigation of complex Ministry of Defense benefits, and one-on-one emotional and practical support** for each widow and her family.

Kuma currently supports **200 widows**, and aims to reach **all 350+ by the end of 2026**. Each widow receives individualized case management, monthly stipends, relief grants for larger expenses, and hands-on guidance to help stabilize the home and reduce overwhelming bureaucratic stress. A national volunteer corps run by Kuma also provides free home maintenance and practical help.

Kuma ensures that the families of those who stood for Am Yisrael and sacrificed their husbands and fathers will never stand alone.

Continued communal support from your community is essential to sustain this mission.
