

The Dorsey and Company CPA's Team of experts are partnering with the community to help educate individuals and small businesses through a series of Lunch and Learn Programs.

## Small Business Resolutions for 2019

What do you need to be doing now?

- Understand your financials. Set goals for the New Year.
- Are you creating a budget and planning your cash flows?
- What can you do to improve your record keeping? Do you need to Outsource? Do you need new technology?
- Have you planned for retirement contributions? Have you planned how to invest back in your business?
