

**BOTTLEDROP PROGRAM TO BENEFIT
THE ENVIRONMENT AND THE LORD & SCHRYVER CONSERVANCY**

Here is what you need to do:

- Pick up a blue bag at Gaiety Hollow - contact info@lordschryver.org
- Fill the bag with 10-cent recyclable bottles (plastic, aluminum; OK to mix.)
- When filled, pull on the “cord” to close the top and tie it twice.
- Take it to the [nearest Bottledrop center](#).
- The drop site is outside, so it is open 24/7. There is no need to wait in line.
- Locate the drop area. There is a scanner on the door in the place where it asks for a card.
- Scan the code on the label attached to your bag near the top.
- When the door opens, push your bag inside. The donation is then credited to our account.

THANK YOU for participating in this win-win opportunity.
