

MMS BUS INFORMATION

In order to better serve our families, MMS will begin sending out **Remind** notifications when we are made aware of any bus changes and/or delays that affect any route that serves our students.

Please click this link to sign up, and turn on your notifications to get up-to-date communications:

<https://www.remind.com/join/h4a47bb>

We are hopeful that this communication, along with the Bus Tracker app from Durham, will help parents stay informed on bus status in a timely manner.

Please call the school at 601-605-4171 or email jlovitt@madison-schools.com with any questions.
