

Councilman Jon Weinstein,  
Howard County Department of Planning and Zoning,  
in partnership with  
Patapsco Heritage Greenway present:

**“Elkridge Main Street: a path to renewal”  
community planning meeting  
for this historic area in Elkridge**

**Wednesday, May 9  
7-8:30 pm  
Elkridge Library  
6540 Washington Blvd**

In advance of creating a small area plan for the Elkridge Main Street area,  
this event is an opportunity to hear from residents and stakeholders to:

- **discuss issues and opportunities**
- **identify boundaries for a plan**
- **inform the scope of the planning effort**

The Small Area Plan will build a vision for Elkridge that considers its history  
and heritage. It will also identify opportunities and improvements  
for future investment.

We encourage you to attend this session to learn more about the project and  
share your ideas with Howard County.
