

Logan Square Block by Block by Logan Square Chamber of Commerce and Cleanslate

Logan Square is a destination neighborhood. This is wonderful for our businesses and the community but more traffic brings more garbage. Sometimes our commercial districts are covered in trash and don't look like a neighborhood we are proud to show off. Businesses are expected to keep the area in front of their establishment clean but this is only a part of the solution. Another piece of the solution is a team dedicated to cleaning. The Logan Square Chamber of Commerce is partnering with local businesses and sponsors to hire Cleanslate to clean up our commercial streets. Easily recognizable in their bright yellow vests, the friendly Cleanslate crew picks up tons of garbage and recyclable materials, leaving our community cleaner, safer and healthier.

Benefits of this program include:

- A cleaner, more inviting neighborhood
- More eyes on the street; deterring crime, increasing safety
- Creating life-changing opportunities for members of our community and surrounding communities
- Great PR for sponsors and participating businesses

Become a sponsor. It's easy for your block to be a part of this program! Simply fill out the attached form. It only costs \$11.00 to sponsor one block per visit. A visit includes:

- Removing all trash, broken glass and cigarette butts
- Separating recycling
- Emptying streetside trash receptacles
- Reporting graffiti
- Greeting all pedestrians in a friendly and professional manner

Please note: One block equals one side of one standard city block. To ensure the success of this program, there is a minimum commitment of six months, paid in advance.
