DEAR COMMUNITY SUPPORTER,

The ProMedica Bay Park Hospital Foundation invites you to partner with us for our inaugural golf benefit at the Maumee Bay State Park Golf Course on May 17. The goal of this event is to support and enhance the lives of individuals in the Bay Park community that are dealing with food insecurity. All proceeds that are raised will go towards the Bay Park Hospital Food Clinic, which is expected to open mid-February 2019. The Clinic will focus on helping individuals by not only feeding them, but also providing education on healthy eating and how to sustain a lifestyle of healthier eating habits. Food insecurity is a major problem for many individuals as it relates to their health. In fact, over 1,600 patients at Bay Park screened positive for food insecurity in 2018. Not being able to feed your family or having limited access to healthy food are social factors that have a great influence on individual and community health. Food is medicine!

Please see the enclosed Bay Park Hospital Foundation Golf Benefit sponsorship form for complete information. Please join us as a sponsor or player. Your support will help others have a higher quality of well-being. We appreciate your willingness to consider supporting this event and great cause. We look forward to sharing a great day of golf with you!

Thank you for your consideration.

Sincerely,

Dan Stong
Executive Director, Metro Foundations
