ABOUT THIS WORKSHOP

This course will allow participants to learn effective skills and strategies for using Charlotte Danielson's Framework in a summative setting in order to more effectively:

1. Identify evidence at the component/element level during formal and informal observations;
2. Use evidence to effectively rate staff on levels of performance for each domain;
3. Acquire strategies to support effective collaborative conferencing around formal and informal observations; and
4. learn techniques, strategies and protocols to use when conferencing with staff.
