TARGET AUDIENCE

Social Workers

Teachers

Principals

ABOUT THIS WORKSHOP

This course is designed to support school leaders in understanding the effects of burnout and compassion fatigue that their staff may encounter as the first responders to student trauma. It is encouraged that school leaders bring their support staff personnel (school counselors, social workers, teachers, etc.) so that a team approach can be utilized when developing an implementation plan.

Special Presenter:

Katie Algrim

*Director of Innovative Professional
Learning | Kane County ROE*
