100% Online
Illinois Online Academy

Date and Time:
April 23, 2020
9:00 AM - 12:00 PM

Cost:
\$175
Register: <https://bit.ly/2T47Ryi>

Special Presenter:
Paul Timm
PSP - Facility Engineering Associates, P.C.

ABOUT THIS WORKSHOP

This course presents a cooperative and comprehensive approach to school safety and security. It focuses on five areas of school security:

- Management (policies and procedures)
- Building Security
- Staff Training
- Violence Prevention
- Intervention and Crisis Management.

Participants will learn how to personally implement specific strategies, identify and involve stakeholders and access helpful security resources.

There will be 3 hours of pre/post work. This course is 100% online and will award 6 hours of IAA Credit or 5.5 hours of PD credit.

OVERVIEW

*Refunds will be issued only to participants who call the ROE five (5) business days before the start date of the program, or if the program is canceled.
