4.1 President's Report – Kalin Carroll

- Big News is that we asked for and were granted acceptance in the Granite State Northeast Junior High Football League for our Senior Team. They partner with the Snowbelt League for their Junior Team, however, they are not willing to let us in this year. Not all of their games line up with ours, however, a team dropped and we got their schedule. The good news is that we can use Artillery Field and they are used to early morning games. They also don't officially start their season until 8/14 and require 10 hours of conditioning before pads.
- Our Youth team is officially dropping to a one game format. I made sure that if we go over the numbers once the season starts, we will not be penalized before officially doing so
- Cheer uniform anticipated ship dates 8/7 and 8/21(typically earlier)

☒ **Recent Actions Completed**

- I checked the Post Office Box Today and we had a donation check from Just Lights for \$750! Thank you Rachel for sending so many donation letters!

- I met with Bob Porter and learned QuickBooks and reconciled our books for May and June. This should help with planning a budget.

2 Upcoming Plans / Needs

- Check for JHL- They sent a QuickBooks invoice- total due is \$925 (two teams and late fee)
- Check for Bow Athletic Club \$100 Membership Dues
-We need athletes to sign up, coaches' kids, bring a friend, anything Senior Team would be good with 10 more; Junior Team needs 15 more; Youth 8 more. There are some kids we know are coming that haven't signed up and I get asked for scholarship codes every day. Is anyone available to go to the YSH for a football day? How about a coaches' meeting?
