

CAREER EVENTS: Jobs for Clean Water

Interested in jobs that
protect human health
and the environment?

Join the King County Wastewater Treatment Division for a job-shadowing event to explore careers in clean water. Staff members will be leading short, hands-on sessions to demonstrate the details of their job and share the steps needed to get hired.

Examples of careers represented:

- **STEM:** Civil Engineer, Environmental Engineer, Water Quality Analyst
- **Trades:** Electrician, Treatment Plant Operator, Mechanic
- **Communications:** Community Relations, Environmental Educator, Project Manager

We are offering three events:
