- Use two hands to open the lid and carry the device.
- Do not close the lid with anything inside the Laptop (headphones, pencils, etc.).
- Follow all directions given by teachers, if applicable.
- Follow copyright laws and cite appropriately sources used from electronic media.
- [Please contact 206-252-0100 for assistance](tel:206-252-0100) with any identified security problems or potential online safety issues.

Traveling To, From, and Around School

- Completely shut down the device before traveling.
- Do not leave the device in a vehicle.
- Never leave the device unattended for any reason. Use lockers/PE lockers to lock up in school, if applicable.
- Do not lean against the device or on your backpack with the device inside.
- Store device standing up on its side in a locker; do not pile other things on top of it in a locker, if applicable.

- If ever in a situation where someone is threatening you for your device, give it to them and [please contact 206-252-0100 for assistance](#), immediately.

At Home

- Take your device home every day.
- Charge the device fully each night; leave the power cord/charger at home.
- Use the device in a common room of the home (family room, kitchen, dining room).
- Store the device on a desk or table - never on the floor!
- Protect the device from:
 - Extreme heat or cold
 - Food, drinks, other liquids
 - Small children or pets

Overall Safety

- Students are expected to notify a staff member immediately if they come across information, images, or messages that are inappropriate, dangerous, threatening, or make them feel uncomfortable.
- Please alert your Parent and Teacher (if applicable) if you are experiencing any changes in behavior and/or depression immediately!
