

Ravenna Trail Reconstruction and Mississippi River Greenway Extension Project

Dakota County plans to improve a section of Ravenna Trail (County Road 54) from 18th Street to County Road 68. The project will include safety improvements along the road, including turn lanes, shoulders, and a roundabout at the County Road 68 intersection. The project also includes a planned extension of the Mississippi River Greenway Trail from Hastings through the project limits.

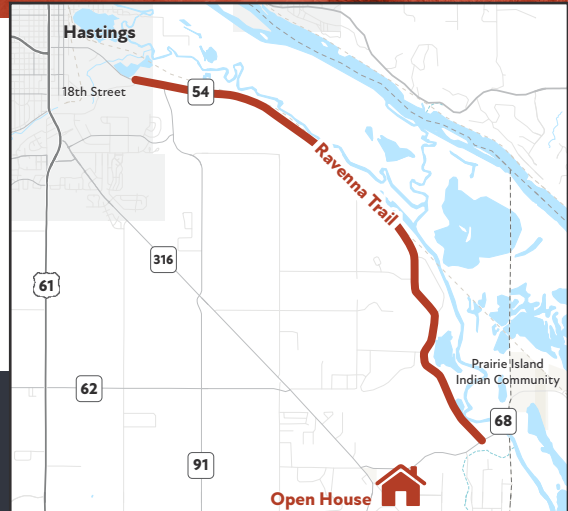

Join us for an open house!
