

Transit Link On-Demand

Pilot service coming to Hastings

BOOK YOUR RIDE

Follow the directions on the flip side of this flyer to download the Metro micro (Spare) app. Choose your community and the app will allow you to book Transit Link On-Demand rides. Don't have a smart phone? Call **651-602-LINK (5465)** and tell the reservation staff you want to book an on-demand ride in your community.

Transit Link is public transit in Twin Cities communities where regular route transit is infrequent or unavailable.

Beginning in February 2026, people in select communities can schedule on-demand Transit Link trips through a new pilot.

ABOUT ON-DEMAND SERVICE

Service will be available within the Hastings community, as identified on the map. To schedule a ride, download the Metro micro app, create an account, and book your ride.

SERVICE HOURS

In Hastings, rides will be available from 10 a.m. to 2 p.m. on Mondays and Wednesdays.

FARES

On-Demand Transit Link rides are $3.50 each way. Fares can be paid on Transit Link vehicles with a Go-To Card or cash. (You cannot pay fares on the app.)

As a rider, you can expect:

- No extensive wait times.
- A shared ride – buses can transport as many as 8 people.
- Mobility devices are welcome.
- Buses are accessible with lifts.
- Transit Link drivers do not assist with packages.

How to book your Transit Link On-Demand ride

Book your Transit Link On-Demand rides using the Metro micro app. The app detects your location to help you book on-demand rides in your community.

Locations permissions: Always set your permissions for the app on your smart phone permissions to allow location access. This allows you to see available trip information on the app.

Notifications: Enable app notifications to receive important trip updates.

1. Download the app

- Scan the QR code below for your device.

Android app **IOS app**

2. Create an account

- Open the app and tap Register.
- Enter your mobile phone number.
- Enter the 5-digit verification code sent to you via SMS.
- Complete your profile by adding your first and last names, a profile photo (optional), and email address (optional).

3. Book your ride

- Enter your pickup and drop-off locations.
- Enter the number of riders and any accessibility requirements.
- View available travel options.
- Confirm your trip. Check the "My Trips" section for real-time updates on your ride.
