
FOR RELEASE: 1/21/2026

ICPHSO Announces New Board Members for 2026

Mount Laurel, NJ – January 21, 2026 –ICPHSO (International Consumer Product Health and Safety Organization) announced today, in advance of its **2026 Annual Meeting and Training Symposium** at the Hyatt Regency Grand Cypress Hotel, Orlando, Florida, the election of new Board Members to lead the organization that is comprised of consumer product health and safety professionals from around the world. The ICPHSO Board of Directors determines basic policies, sets goals and objectives, elects officers, and approves the budget in accordance with the bylaws of the organization.

Elected to the Board of Directors to serve a three-year term beginning March 16, 2026, is:

- Josep Tous, Director, ieConsumo, Observatorio del consumo SL, Barcelona, Spain

In addition to a new board member, an existing board member was elected to move to ICPHSO's Executive Committee as Vice President of the organization:

- Molly Lynyak, Manager, Standards and Membership, ASTM International, West Conshohocken, PA

The Executive Committee is comprised of the officers of the Board of Directors, and with the election of a new board member, changes will also occur to the Executive Committee, effective March 16, 2026:

- Chris Harvey, Senior Vice President, Product Innovation & Industry Engagement, Sedgwick, Indianapolis, IN, becomes *President*
- Danni Cugini, Director, Product Compliance and Regulatory, Harbor Freight Tools, Calabasas, CA, becomes *President Elect and 2027 Symposium Planning Chair*
- Rod Freeman, Partner and Global Head of Products Law, Cooley, London, UK becomes *Treasurer*
- Molly Lynyak, Manager, Standards and Membership, ASTM International, West Conshohocken, PA, becomes *Vice President*
- David Kosnoff, Product Safety Executive (Retired), Bentonville, AR, becomes *Immediate Past President and Chair of the Nominating Committee*
- Marc J. Schoem, Executive Director, ICPHSO, Olney, MD remains as *Secretary*

The new board member and officers of the Executive Committee assume their roles and responsibilities, on March 16, 2026, after ICPHSO's **2026 Annual Meeting and Training Symposium** being held February 23-26, 2026, at the Hyatt Regency Grand Cypress Hotel, Orlando, FL, USA. The Annual Symposium attracts more than eight hundred global product safety professionals which include product designers,

manufacturers, importers, retailers, service providers, consumer and parent advocates, lawyers, consultants, trade associations, NGO's academia, health professionals, global regulators media and others interested in the safety of consumer products. More information and registration can be found at www.icphso.org

ICPHSO (International Consumer Product Health and Safety Organization) is a global non-profit organization founded in 1993. It hosts three annual conferences that bring together key stakeholders in product safety, including global regulators, product designers, manufacturers, importers, retailers, consumer and parent advocates, legal professionals, consultants, standards organizations, testing laboratories, certification bodies, academia, health officials, media, and researchers. This collaborative approach enables the exchange of information, discussion on best practices, awareness of emerging risks and networking opportunities to advance product safety worldwide.
