

**If your company is an EDAWN Investor and you have a COVID-19 related service you would like us to list here, please contact Sheila Imsdahl, VP Investor Relations & Events at [imsdahl@edawn.org](mailto:imsdahl@edawn.org)**

**Message from OnTrac:**

During these unprecedented times, we want you to know that OnTrac continues to operate in areas with orders to "Shelter in Place." We facilitate the movement of crucial supplies and are diligently working with our Service Providers to deliver critical relief and goods to communities all over the Western U.S. For more information on the OnTrac response to COVID-19, please visit [ontrac.com](http://ontrac.com).

**Message from Savage and Son, Inc.:**

As an essential business to Northern Nevada and the Sierra and as the COVID-19 situation evolves, we want to assure you that the safety and hygiene of our employees, customers, and community is our top concern. We are open and operating during our regular business hours and, as always, available for plumbing emergencies 24/7. We are taking extra precautions with our Service Technicians to ensure the safety of our employees, customers, and community. If you are experiencing issues, please call us at (775) 828-4193 and email us a video of your issue to [service@savageandson.com](mailto:service@savageandson.com).

**Message from My Ride To Work:**

It is our top priority to take care of our passengers, our drivers, our employees and all of their families and communities. We are here to help our riders, our customers and employees during this uncertain time. We partner with companies to understand their objectives and create ridership and route programs that support specific workforce needs with an emphasis on safety, rider experience and comfort. As a leader in the transportation industry for the Reno/Tahoe area, there is no higher priority than taking care of the health and safety of our passengers. Our leadership team is continuing to monitor the evolution of this situation and implementing new precautions daily. If you have additional questions or need additional information, please contact Geoff Donahue at (720) 878-1542 or via email at [geoff@mrtw.com](mailto:geoff@mrtw.com) .

**Message from Helix Electric:**

Helix Electric is open – and is available 24/7 for any electrical needs.

Helix Electric is a full service electrical contractor and industry leader specializing in design-build and highly complex electrical projects throughout the United States. For more information, contact Melisa Farrell, Project Administrator at 775-440-2391.

**Message from Legacy Supply Chain Services:**

Supply chain infrastructure is essential to the world's sustainability and recovery from the Covid-19 pandemic. Legacy Supply Chain is actively working in the US and Canada to support our customers' changing needs, as well as offering long or mid-term distribution and transportation capacity for other businesses seeking to respond to new supply chain challenges. If our broad US and Canadian brokerage network, or our distribution and fulfillment centers in Olive Branch MS, Reno NV, and Ontario CA can be of service to businesses in need, please contact us at 800.361.5028 ext. 6 or [contactus@legacyscs.com](mailto:contactus@legacyscs.com).

**Message from Pestmaster Services:**

With increasing concerns of communicable diseases, brought on by the Novel CoronaVirus / COVID-19, Pestmaster Services is ready and able to provide you with immediate services to mitigate the risks associated with this national concern. As we educate our clients regarding the concerns, we're initiating treatments and applications of Virus deactivating agents, sanitizing materials and odor control. We are "at your service" and can mobilize nation-wide to protect your employees, visitors, residents, students, etc. For more information, contact Jeff Van Diepen, President, at 1-800-525-8866 or [jvandiepen@pestmaster.com](mailto:jvandiepen@pestmaster.com).
