AREAS OF FOCUS

MARKETING AND ATTRACTION

Management of inbound company prospects. Research and develop a marketing plan and strategy that will create new business leads in targeted industry categories.

RETENTION, EXPANSION AND WORKFORCE DEVELOPMENT

Generate quality economic impact by retaining and expanding existing “primary” employers (companies that import wealth by having the majority of their customers outside of the region) and by working with partners to improve the skills of employees and potential employees in the region. Lead the outreach effort to local primary companies to make connections, identify and help resolve issues they may have, identify opportunities for growth, and work to assist them in their expansion efforts. Provide feedback from these visits to the community for business climate assessment and improvement.

ENTREPRENEURIAL DEVELOPMENT AND HIGHER EDUCATION LIAISON

Management of the entrepreneurial ecosystem of Northern Nevada, as well as collaboration between the University of Nevada, Reno, other higher education institutions and private industry. Work with local incubation and start-up groups to help create new companies that will ultimately grow in the region and diversify our economy. Diversify the Greater Reno-Sparks economy through entrepreneurship and engage key partners to assist in the growth of small businesses from primary business sectors.

THE ECONOMIC DEVELOPMENT AUTHORITY OF WESTERN NEVADA
