

# Jr. Patriots Basketball

**Kindergarten - 4th Grade**

Jr. Patriots is an after-school intramural program for GCA students in kindergarten through fourth grade. The five week program will provide a positive and safe environment for beginning basketball players and to those with playing experience. Jr. Patriots provides an introduction to the fundamental skills of basketball while the participant has an opportunity to enjoy competing with their GCA classmates. It is our desire that Jr. Patriots players will one day proudly represent the Patriots on the court at the interscholastic level of competition.
