

The Summer Food Bank Challenge 2021

Do you remember our Summer Food Bank Challenge two years ago? We collected cans of fruit. Mira and Mercy helped us celebrate Pineapple Sunday wearing costumes designed by Dan.

Last summer our church was closed so we partnered with Saint Luke's Church to raise money for the Food Bank. It was also a very successful venture.

This year we have once again been challenged by Central Presbyterian Church to collect items for the Cambridge Self-Help Food Bank. SC&O accepted the challenge on behalf of Trillium. Our Challenge will take place during July and August.

We asked the Food Bank which item, on the list of most wanted items, they need most. Well, the answer was..... CANS of FRUIT! So, SC&O has decided that if this is what is needed most, this is what we will collect!

The Food Bank has requested that, when possible, please choose cans that have a pull tab top, since some clients who they serve do not have can openers.

The big change this year is the way we will collect the cans that you are donating. At the beginning of September, if the church is still not open, we will arrange for a trunk pick-up of the cans you have collected at home.

And we need pictures! We would invite you to make a display in your home, take a picture and send it to susandbalfour@gmail.com so we have a steady stream of photos to use each week in our E-worship communication.

Don't forget that the Food Bank loves to have monetary donations. They have trusted sources that allow them to buy food items at a reduced cost. If you prefer to participate in this way, please send in your cheques (written out to Trillium United Church, with a note indicating that it is for 'The Food Bank') or use an e-transfer.

We look forward to seeing your pictures. Be creative as we help The Cambridge Self-Help Food Bank!
