God Loves Me paper

What you need:

- Paper
- Something to write with (crayons, markers, pencils)
- paperclip (optional)
- glue or tape

How to make the paper airplane:

- Follow the instructions to fold the paper into the airplane shape
- On one wing write "GOD" and on the other wing write "Loves Me"
- glue or tape the body of the plane together at the centre fold
- if you have a paperclip add it to the nose of the plane
- share the message of God's Love. Have a flight contest. Make another one for a friend
