### **Materials Needed:**

- tissue paper – variety of colors
- wax paper
- white glue
- popsicle stick
- craft knife
- scissors
- cross outline on black or dark paper

### **Directions:**

1. Tear tissue paper into small pieces
2. Place a piece of wax paper (larger than your cross) on a covered
3. Spread glue onto half of the wax paper using a popsicle stick.
4. Piece by piece add the tissue paper until all the glue is covered.
5. Spread glue onto the other half of the wax paper and fold over on top of the tissue.
6. Smooth the paper and let dry.
7. Cut strips of black or dark coloured paper (these strips will form the cross outline)
8. Glue the strips of paper to form a cross frame (don't make it too narrow or you won't much of your "stained glass" showing)
9. When dry, cut all the excess wax paper, tissue, and frame off
10. Tape to a well-lit window and enjoy!
