

## **Tic Tac Toe**

-paint 8 rocks, 4 of each matching set

(you can paint your rocks in the traditional “X” and “O” or you can choose to be creative and paint 2 different patterns or images)

-let dry

-if playing outside, use chalk to make a grid on a hard surface

-if playing inside make the grid on a piece of paper

### **How to play:**

1. The game is played on a grid that's 3 squares by 3 squares.
2. You are X, your friend is O (or your chosen 2 images). Players take turns putting their rocks in empty squares.
3. The first player to get 3 of her marks in a row (up, down, across, or diagonally) is the winner.
4. When all 9 squares are full, the game is over.
