

RI ELECTRIC VEHICLE REBATE PROGRAM

DRIVE EV is an EV rebate program administered by the RI Office of Energy Resources to support the adoption of EVs by Rhode Island residents, small businesses, non-profits, and public-sector entities.

**Rebates of up to \$2,000
are available**

- Rebates offered to both individuals and fleets
- Rebates are awarded on a first-come, first-served basis.
- DRIVE+ is an enhanced rebate up to \$1,500 for applicants who meet certain income requirements, or participate on State or Federal Income-Qualified Programs.
