"A little smile, a word of cheer, A bit of love from someone near, A little gift from one held dear, Best wishes for the coming year.

My earnest warm wishes go to you, who always shines brightly among a crowd!

May you find joy in the little achievements of life and hold on to that positive energy! Best wishes for a jolly life ahead!

Here's to more cheerful moments and bright days to come! May you always stay happy!

One laugh a day keeps the stress away! I hope you keep finding reasons to be happy about!

Wishing you a season of blessings and cheer.

Being happy doesn't mean that everything is perfect. It simply means that you've decided to look beyond the imperfections of life.

When you feel like giving up, remember why you held on for so long in the first place.

Never regret anything that made you smile.
