About the Youth Bureau

We are a Community Resource

The Town of Smithtown Youth Bureau is part of a state-wide system of municipal Youth Bureaus whose mission is to identify and meet the needs of youth and families in their jurisdiction. Every Municipal Youth Bureau is specialized and just as UNIQUE as the residents and communities they serve.

Youth Bureau Advisory Board

The Town of Smithtown Youth Advisory Board is comprised of students and adults from all township communities. These appointed volunteers work with the Youth Bureau to plan and implement town-wide programs.

Community Needs Assessments

The Town of Smithtown Youth Bureau conducts ongoing community surveying to remain aware of residents' needs. Resources are allocated to focus on issues facing the town's youth and families and to develop community strength.
