Programming & Scheduling **FAQ:**

1. How much do your programs cost?

All programs are fully funded and able to be provided to Town residents at no cost.

2. I have a program in mind, but it's not on this list. Can you still help me?

Yes! If you have a topic in mind for a program reach out to our Youth Counselor, Melissa Kass, at mkass@smithtownny.gov to see how we can best assist you. If time permits, we are often able to develop additional programs based on community need.

3. How can I register my child for one of these programs?

This program list is included for scheduling purposes. Scheduling is intended for schools and other organizations with groups of 10 or more students. Any student interested in attending a program should check our current newsletter or contact their school to see when their next scheduled program will run.
