#### Dylan LeBlanc to Headline May's Gulf Songwriter Series at JSU's Little River Canyon Center

Fort Payne, AL – The 9th [May's Gulf Songwriter Series](#) returns to the JSU Little River Canyon Center on **Sunday, May 18, 2025**, from **3 to 5 PM**, featuring acclaimed artist [Dylan LeBlanc](#) and special guest [Lindy Urban](#).

Dylan LeBlanc, the Alabama-born singer-songwriter and multi-instrumentalist, will take the stage just before embarking on his upcoming European tour. Known for his raw storytelling and nomadic spirit, LeBlanc's music reflects a life lived on the edge. His latest album, *Coyote*, continues to explore the emotional depths that define his unique sound.

Opening the show is rising talent Lindy Urban, a young musician from Northwest Alabama whose rich, soulful voice has been compared to Joan Baez, Joni Mitchell, and Norah Jones. With a style rooted in the folk, rock, and blues of the '60s and '70s, Urban brings heartfelt songwriting and authentic energy to the stage.

"We're thrilled to bring another chapter of May's Gulf Songwriter Series to life at the Canyon Center," said Director Pete Conroy. "These afternoons are more than just music—they're about storytelling, connection, and community. Through this series, we not only celebrate regional artistry, but also help further our mission of conservation and education, supporting the DeKalb Children's Advocacy efforts. It's a meaningful way to come together through song and make a lasting impact."
