May 1, 2020

Dear Carolina Beach Citizens,

Continuing with our tiered re-opening plan of Carolina Beach, we will begin allowing fishing on the municipal beach strand effective Monday, May 4th. The Town will also open select public parking lots on Monday and locations will be announced at that time. We encourage all beach goers to continue practicing social distancing and other safety measures recommended by the CDC.

I would like to say thank you to everyone for your support and cooperation during this crisis. We appreciate the sacrifices made by many during this time. Please have patience a little longer as we work through our phases of re-opening Carolina Beach. We will announce all changes and updates on our website, www.carolinabeach.org, and our [Facebook page](#).

Together we have worked to prevent the spread of COVID-19, together we will come out stronger.

Sincerely,

A handwritten signature in blue ink that reads "LeAnn Pierce".

Mayor LeAnn Pierce
