OVATION GRILL

A BOLD NEW EXPRESSION OF HYBRID

The Ovation Hybrid Grill introduces a bold new expression of the American Made Grills Hybrid Series. It unites the refined front aesthetic of the Estate Series with the deeper profile and commanding stance of our hybrid platform, creating a presence that anchors today's most stunning outdoor kitchens. This is where elevated design meets multi-fuel performance.

Beneath its striking exterior lives the full Hybrid capability—gas, charcoal, hardwood, and more—engineered for precision, power, and control. Constructed from #304 stainless steel and built entirely in the USA, Ovation delivers the craftsmanship, durability, and versatility that define American Made Grills. It's not just a new model. It's a new standard for outdoor cooking.
