

## JOIN A NASW SHARED INTEREST GROUP (SIG), COMMITTEE, COMMISSION, TASK FORCE, or REGIONAL COUNCIL

The Chapter invites all NASW members to put their ideas and energies to work through one of its 30 + Shared Interest Groups (SIGS), Committees, Commissions, Task Forces, or Regional Councils. Members organize continuing education conferences, follow legislation, represent NASW in the community, and generally serve as the eyes and ears of the Chapter, feeding back information to staff and the elected leadership. **When you join you become part of the action, network with colleagues who have similar professional interests, and help move the Association forward in meeting its goals.** Call the chair people below to find out more about the group they lead. They will be delighted to speak with you.
