Go365 is not an insurance product. Not available with all Humana health plans. We are committed to helping you achieve your best health. Rewards for participating in Go365 are available to all members. If you think you might be unable to meet a standard for a Go365 reward, you might qualify for an opportunity to earn the same reward by different means. Sign in to your Go365.com account and visit the Communication Center to send us a secure message and we will work with you (and, if you wish, with your Physician) to develop another way to qualify for the reward.
