

**Doug Cain**  
**Tucson Unit 356**  
**Nominated by Cindy Shoemaker**  
**Continued**

As Partnership Chair, Doug promptly acknowledges all requests and works with a team of volunteers to fill requests before each tournament. Afterward, Doug sends thank you emails to all those who have been matched with partners and invites each to play in the next unit scheduled event. Doug then produces reports for the Unit 356 Board that illustrate how Partnerships increase table count.

Doug is the reason why Tucson has a new tournament location. During Tucson tournaments, Doug arrives well before the players to make the coffee and to set up the beverage counter.
