

**Toby McEvoy, Las Vegas Unit 373**  
**(Continued)**

Toby and his partner Christopher Hahn have established a teaching program for local I/N players. They offer classes at no cost to students and organize duplicate games with other unit players on the weekends. This gets their students comfortable at the bridge table and well prepared to play in local club games and tournaments. Many have become ACBL members.

Toby is also a talented musician and musical director. He has directed critically acclaimed shows at Spring Mountain Ranch, The Vegas Little Theatre and Faith Lutheran High School.
