

Joyce Honorof, Tucson Unit 356
(Continued)

Joyce remains an active volunteer director in both Small Slams Bridge Club and the Northwest Tucson Bridge Club, and is now a Virtual BBO director as well. Most importantly, she continues to be an avid player and ambassador of encouragement for anyone wanting to share in this invigorating experience we call bridge.

Joyce is enthusiastic, positive and dedicated to bringing people to the game. “Joyce is the glue of the bridge community in Tucson,” stated a local player. “She is an outstanding ambassador for bridge.”
