My husband started playing duplicate less than two years ago and we have been able to find a 0-1000 limited game that we can play in together.

It has been a trying time for all of us and we can't wait to get back to our bridge clubs where we so enjoy all our friends and the chance to play our beloved game face to face. Things have changed for us all temporarily and my new normal has had to be adjusted, but knowing I can still play bridge online makes my life a little better.

Hope to see you all at the bridge table soon!
